Introduction of leadership:

- ⌘ Everyone want to be great leader.
- ⌘ We can found number of followers to follow but get good leader little complicate.
- ⌘ That's why it's very important for any person to become leader.
- ⌘ If you are leader then many person will follow you and you can touch your height.

Definition:

- In simple terms leadership is,
“A leader is one who influence or leads other.
- ☒ As updated terms leadership is,
“Leadership is an influence of personal power that creates progressively advancing community towards common purpose.”

Explanation of definition:

work had be done
by influence not by
restrain

Explanation of definition:

It's about personal
power not about
positional power

Explanation of definition:

Creates
progressively
advancing
community

- Ever increasing
- Ever growing
- Ever expanding
- Ever improving

About Leader:

- ❑ Leader is not who creates leader
- ❑ Leader is one who can create the leader of leading leaders.

Quality of good leader:

- ☒ Lead by example
- ☒ Enthusiastic
- ☒ Ambitious
- ☒ Determined
- ☒ Encourage other
- ☒ Ready to learn and teach

Lead by example:

- ⌘ Present his own not example derived from any tale or story.

If I haven't experience in particular field and I become leader. Some people starting following me but may be I could not lead and guide properly because I haven't experience in this particular field .

Example:

Enthusiastic:

- ☒ You have heard that the bigger work is also easily done by excitement.

If leader is exited then his team is also exited and they work with excitement and can easily moved on and achieve them goal.

- ☒ If leader is not exited then his team is not too exited. That kind of leader and team never achieved them goal.

Example:

Ambitious:

- ❑ Leader should be ambitious to achieve goal.
- ❑ A good leader should always have desire to get something.
- ❑ If leader is ambitious then it's reflect on team his team and whole team can grow.

Example:

Determined:

- ❑ If leader is not determined then then his whole them was confuse and that team and leader does not achieve them goal.
- ❑ A leader has make to his own goal and whole team follows that leader and they achieved them goal. And then he called good leader

Encourage other:

- ⌘ A good leader will have to keep his team full of passion and excited because of passion and excitement make easy any hard work.
- ⌘ Because the team member achieve his goal then leader's goal achieved automatically.

Ready to learn and teach;

- ☒ These quality inside the leader converts into great leader.
- ☒ Good leader must know that change is rule of nature.
- ☒ Its important to learn new things with change of time and create new idea.
- ☒ That's why good leader eager
