GAP - The Nudge Award - 2020

About GAP

Grand Academic Portal (Gyan- Adhyayan- Parampara) is an initiative started by academicians to provide a supplementary and complementary element to the existing formal higher education system in India. The founders have collectively envisioned a platform to provide an innovative, free, equal, equitable, collaborative, sustainable, and all-inclusive teaching-learning-pedagogy environment to all the stakeholders of the higher education in India and abroad. GAP has its presence in more than twenty states of India and growing its popularity very fast in foreign countries also. Grand Academic Portal (GAP) is a network group functioning in the field of Higher education in India. It is a platform, having more than ten thousand direct and indirect stakeholders who are the professors, faculty members, researchers, industry patrons, lawyers and other highly esteemed professionals from India and abroad. GAP is operational in many areas of higher education like research, consultancy, publication of books and journals, project management, resource mobilization, faculty development and training and mentoring. There are many sub-bodies under the umbrella of GAP like ISAC (International Society for Applied Commerce) GAAC (Global Academic Assessment Consortium)which are catering to these individual verticals.

About GAP – The Nudge Award - 2020

WhatsApp groups provide you with a platform to message more than one people those who are in a specific group. For that reason, WhatsApp Group is such a powerful instrument that people can share their ideas, pieces of knowledge, and creations to share and discuss them with the family members, friends, colleagues.

Since the last four years, the usage has increased manifold. At present more than 5 billion people are using this application which is one the highest-rated and used application across the globe.

We at the GAP, therefore, decided to commend the efforts of people who are using this application for the dissemination of knowledge and information in a systematic way.
